Our Mission

The Friends of the Pflugerville Library raises funds to support library programs, publicizes library activities, and promotes reading and literacy. We also support the summer reading programs, benefiting the entire community. Membership is open.

Our History

Founded in 1981 by a group of local residents with a lofty goal to establish and maintain a library for the citizens of Pflugerville, the Friends opened the first one-room library on Railroad Street the same year.

In 1985, the library moved to a small house on 3rd Street owned by the City of Pflugerville. In 1990 the Friends purchased over 1-1/2 acres on 10th street, which, in 1997, they gifted (estimated value of \$250,000) to the City of Pflugerville with an agreement that the City would build a library on the site within three years. The new library opened in February 1999. In 2013 the beautiful expansion was completed.

Since 1981, the Friends has contributed over \$600,000 for programs, furnishings, special equipment, collection items, staff development, and volunteer cash awards.

Used Book Sales

Periodic one-day sales are held in the Library's Great Hall. Watch the library's website for details.

Buy the Book

The Friends offers an on-going used book sale at its Buy The Book. Gently used books and media, such as DVDs and CDs which are donated, are sold daily at the space located in the Great Hall of the library, near the library entrance. Great bargains can be found, with new selections added weekly.

Window to the World was presented to the City by the Friends in 2004 in appreciation of building the library. This beautiful work of art is on the south wall of the adult area.

Become a Friend

Join the Friends and share in the experience of supporting your public library. Membership fees are due annually for each calendar year.

Become a volunteer! We need help stocking the Buy the Book and scanning books for internet sales. The library can also use volunteers to support the numerous community programs conducted monthly and to supplement staffing needs.

Consider giving a Gift of Membership to a friend or relative. Members are entitled to special perks from time to time.

Monetary donations are greatly appreciated and help us continue to support the library and its goals for serving the community. Donations are tax deductible. We do not assess any administrative fees. All funds directly benefit the library. Many employers will match your donation, doubling the impact of your gift.

Application
